

220 anglers tried their luck in the 2nd Annual Christ the King Inshore Classic. Records were set in all six categories, and the weather could not have been better. We managed to raise \$10,500 and had over 400 people attend the weigh-in. The food was great, the music was excellent and the atmosphere was fantastic! Plans are already being made for the 3rd tournament next year and we hope it's an even better success! Thank you to all of our wonderful [sponsors](#) and volunteers that made this event possible!
